Dear Ms. Crose:

On 3 October 2019 the office of the Information and Privacy Coordinator received your 24 September 2019 correspondence requesting records under the Freedom of Information Act. This is a quick acknowledgement to advise you that we received your request for **files leading up to the "Y2K" event which was to take place in January, 2000. [You] would like any files that relate to the preparations your agency undertook before 1 January, 2000 and any documents which may be related to analyzing the impact of the event (if there was any).** Your request was assigned the reference number above. Please use this number when corresponding so that we can identify it easily.

Our officers will review and process your request in more detail and will only communicate to you if they should encounter any problems or if they cannot begin the search without additional information or clarification. We will search for CIA-originated records up to and including the date the Agency starts its search.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark Lilly".

Information and Privacy Coordinator
